Terms & Conditions

Routine appointments need to be booked with your own dr or one of the nurses. If you request an appt with a particular dr who is not your usual provider, your appt may be rescheduled or declined. Some nurse appt require 30 mins, so need to book 2 consecutive apt for: smear test, annual diabetes review, care plus with nurse. Appointments are now automatically confirmed when you book. If you need an urgent appointment, it is best to phone the medical centre so we can find you the most appropriate appointment on the day. Appointments for casual patients (not enrolled with Gore Medical Centre) cannot be booked via this service. We are also no longer able to accept appointment bookings for family members - they will need their own MMH login details. Please phone reception to book these. Please remember - a single 15 minute appointment is only sufficient time for your doctor to fully assess, diagnose, plan treatment and document all this, for one presenting problem only. If you have more than this, you will need to book a double appointment which will incur a double fee.

Thank You. Your Appointment request has been sent.

OK

- You will receive a message in your personal email account advising if your appt have been accepted or declined
